

The CLENA M1500 high-pressure washer series is our entry-level model for professional cleaning.

INCLUDING

Standard accessory kit:

- HP hose reel set DN06 with 15 m HP hose, kink protection on both sides
- HDP350 high pressure gun with interchangeable jet lance system:
 - Stainless steel jet lance 900 mm with high-pressure nozzle
 - Stainless steel jet lance 900 mm with turbo nozzle

EQUIPMENT

- Stainless steel frame
- Powerful motors in two performance classes with long service life thanks to low speed (1,450 rpm)
- Triplex high-pressure pump with brass cylinder head, full ceramic pistons and stainless steel valves, oil-bath lubricated, low-noise and vibration-free
- Easy to handle due to the frame tube diameter of 25 mm
- Ergonomically designed for good manoeuvrability
- Optimised centre of gravity
- Chassis with rubber tyres and large wheel diameter of 250 mm
- Water inlet temperature up to 60 °C (standard)
- 10 m power supply cable
- Start-stop automatic

SERIES M1500
